

# Vilnius "Genys" Primary School

A bad teacher tells the truth, but  
the good one teaches to discover it.

The school was found  
24 years ago.

724 pupils study at  
our school

There are 56  
teachers

# Christmas „Morning circle“

Work in groups

The day of pets

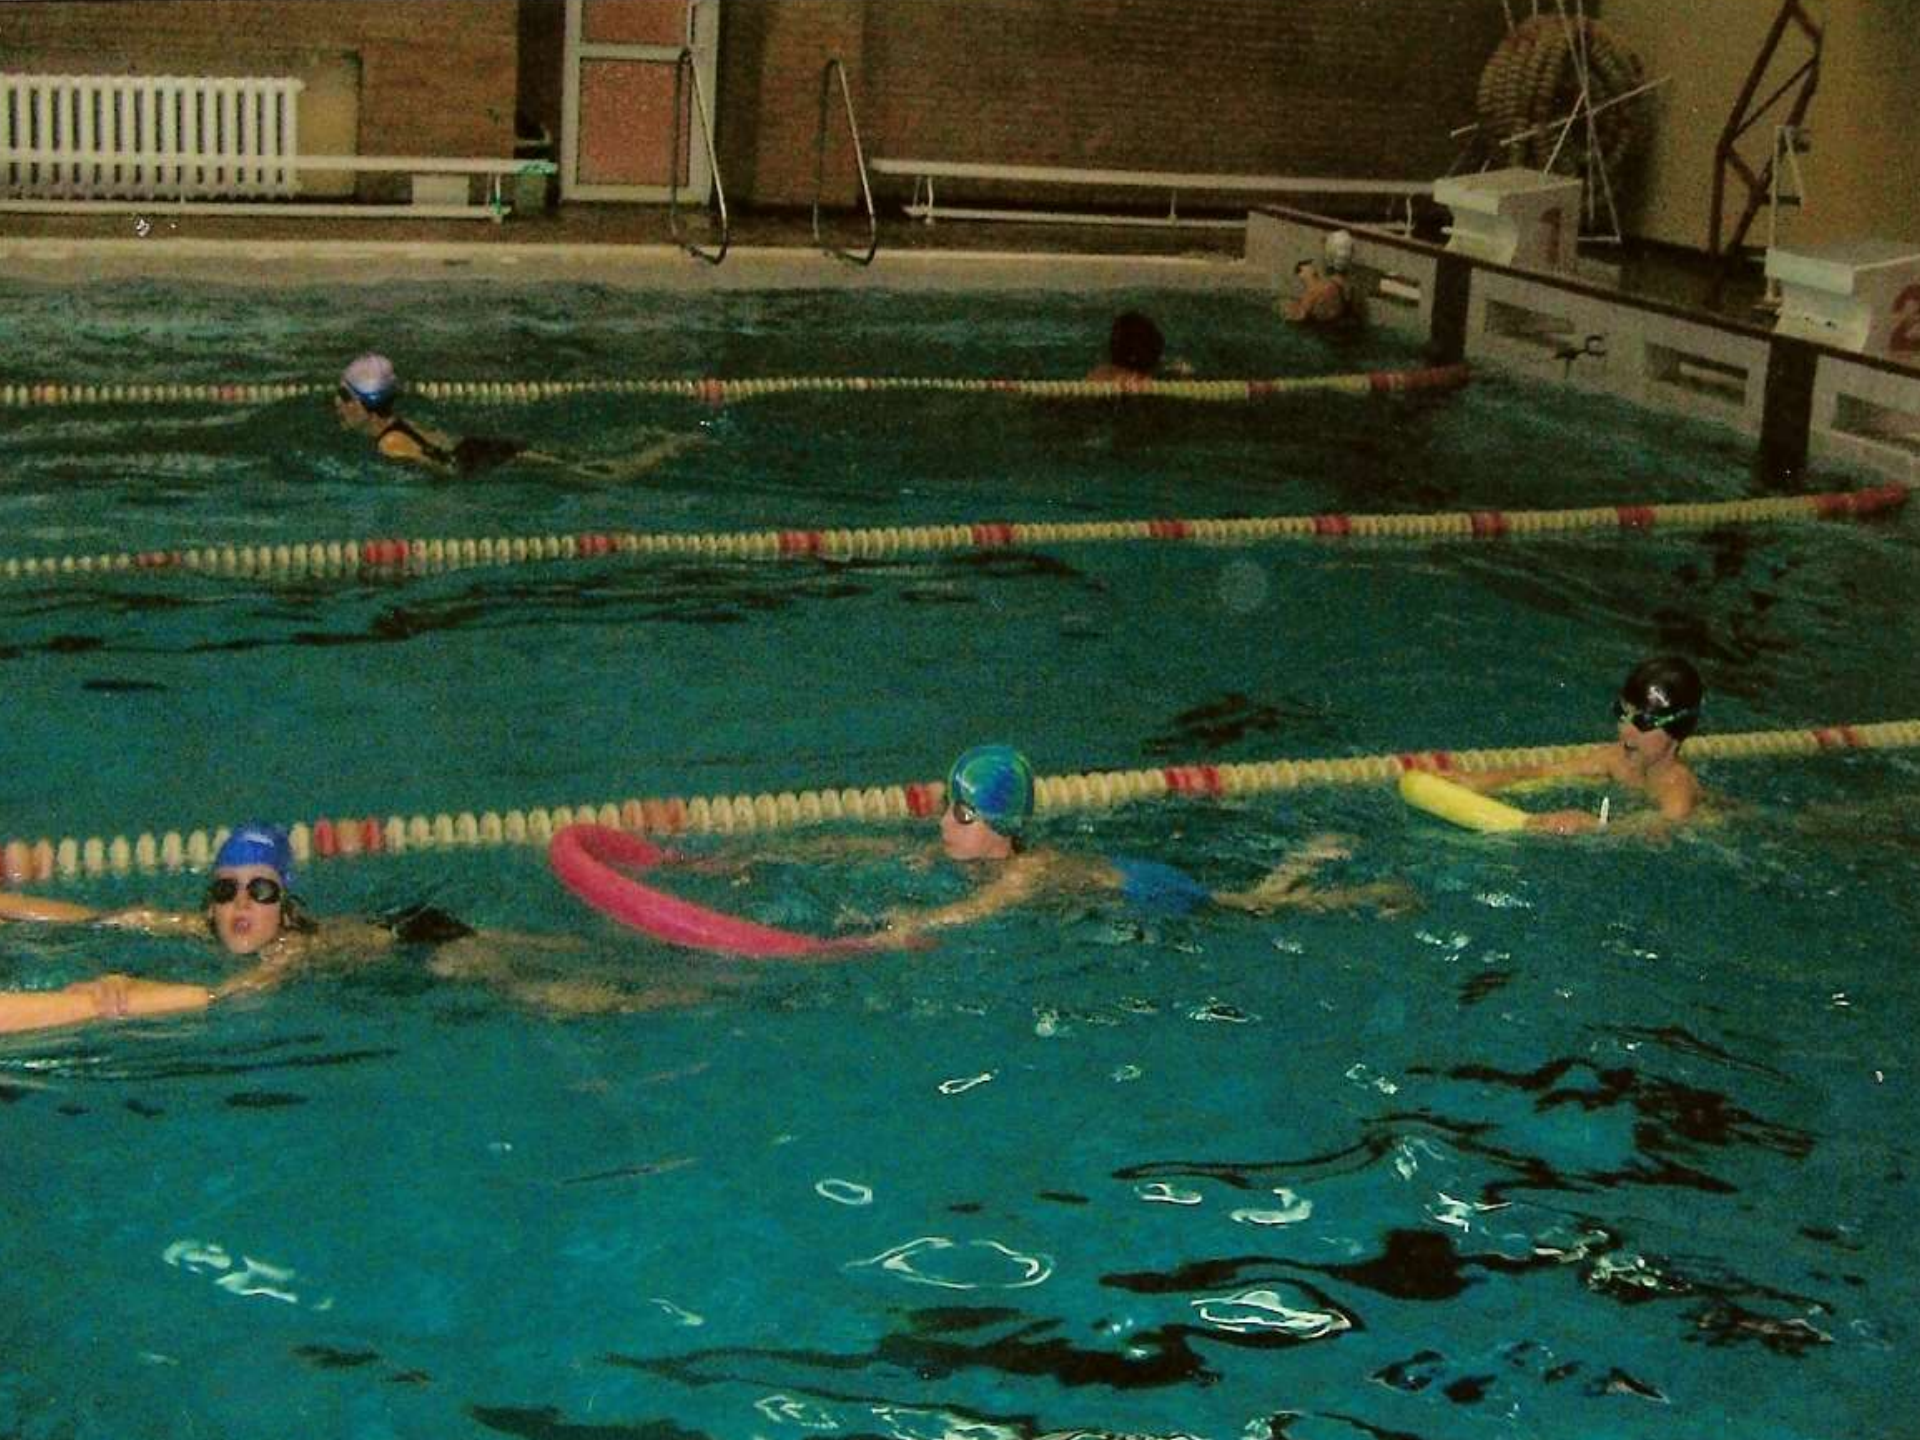

Favourite PE lessons are  
outside in winter or at  
the swimming pool

It is interesting to know about  
the world by doing  
experiments

Pupils enjoy the lesson on cooking. The aim of it is to form the skills for healthy diet.

# The weak of colours

An excursion  
with the  
families

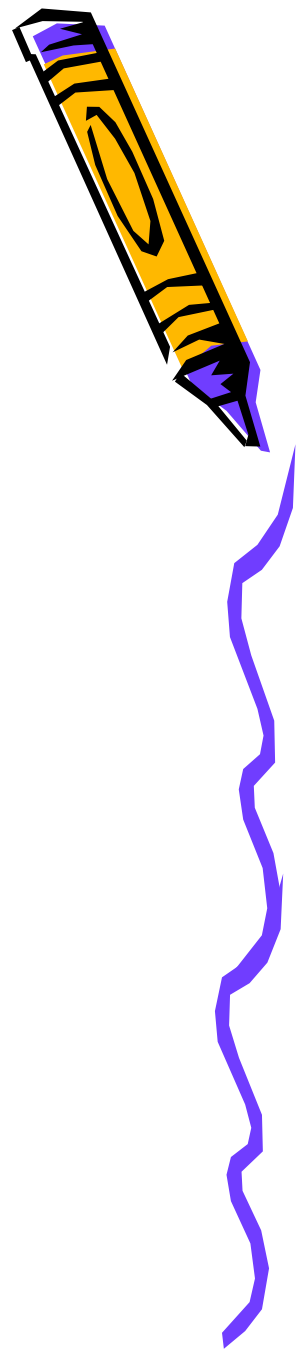

The pupils in the first form  
enjoy The hundredth, they  
present works made of 100  
items
